

Show Contribution Request

In preparation for our 3rd annual “Model Student Fashion & Talent Event,” we are reaching out to parents and supporters of KIPP STRIVE Academy. In order to make our show a success, we have a list of supplies and services that we will need to produce this fabulous production. If you can assist, we would greatly appreciate your efforts. This year we have an awesome theme that will prove to not only be inspirational, but fun!

“*Out of all the generations that continue to influence today’s culture, there is only one decade revolutionary enough to be known as the 60’s. Best known for being the time of civil rights and serious political activity, the 60’s wasn’t just responsible for changing the country’s political and cultural background, it also strongly influenced the way we as African Americans dress today; breaking many fashion traditions and mirroring social movements during the period. This is when fashion truly became a means of visual communication.*”
